

Open Panel
XV IRSPM Conference
Value, Innovation and Partnership
11th – 13th April 2011

The Open Panel is for authors who wish to submit an abstract for consideration to the IRSPM 15 academic committee, but do not feel that their topic fits under any of the panel or special interest group topics. Abstracts submitted will be reviewed by members of the Academic Committee initially for fit with the IRSPM general objectives and for academic quality. If the paper is accepted by the reviewer assigned, it may be included in one of the open panel slots scheduled during the conference, or it could be the case that the reviewers feel that the paper does fit with one of the proposed panels. In the latter case, the submitting author(s) will be asked if they are willing to have their abstract forwarded to the specified panel chair(s) for consideration.
